Dear Sean,

### **Re: Consultation Draft Strata Titles Amendment Bill 2017**

Thank you for referring the consultation draft Strata Titles Amendment Bill 2017 relating to dispute resolution and stage developments.

WAIS notes that the change of the unanimous resolution, to resolution without dissent in various sections of the Bill, and looks forward to having input into the regulation discussion paper due to be released late April 2017.

WAIS is supportive of the wider use of the State Administrative Tribunal to allow for the resolution of disputes.

Yours faithfully,

**Alan Marsh**  
**Vice President, WAIS**
